

Oregon Convention Center Audio Visual Services

Professional In-House Audio Visual Service

Oregon Convention Center Audio Visual (OCC AV) offers unbeatable event planning, simplified billing and easy coordination between all convention center event, operations and catering services.

Our full time Audio/Visual staff has more than 35 years combined experience providing superior AV services at the Oregon Convention Center. OCC AV offers a complete line of inventory and highly customizable systems, built in-house, ensuring you amazing control and flexibility over your show.

The Oregon Convention Center A/V "Super Team"

If you're not sure what the difference between an EV200 and a lavalier is, then our AV specialists can help. No more complicated technical jargon or equipment and services you don't really want or need.

The Oregon Convention Center AV Team prides itself on delivering exceptional service to every customer-for events both large and small. It's no wonder they've earned the nickname "AV Super Team" by clients and staff alike.

Onsite Organization/Event Coordination

Oregon Convention Center AV maintains all of its offices, support staff, and inventory storage onsite and the coordination of your event is a fully integrated part of the center's daily business activities. You have the entire OCC staff working to ensure that all the pieces come together for a successful event.

At the end of your event, all OCC services are billed together on a single, easy to read, itemized invoice. All of OCC's professional expertise and resources are coordinated as one seamless package for your convenience.

- Friendly, experienced technicians who are focused on your vision and the success of your event
- A complete line of inventory tailored to the needs of today's meeting and event professionals, from sound systems and video and data projection to comprehensive lighting and stage packages
- Competitive pricing
- Bids prepared in advance
- Exceptional customer service and response times
- Your equipment is ready to go when you are
- Easy billing where set-up labor, strike labor, and electrical charges are included in the item rental
- No gratuities, delivery or service charges
