The caloric and nutritional information provided is for individual servings and not for the total number of servings on each tray. Serving styles (e.g. the trays or bowls used) will vary significantly in order to accommodate the number of guests, which can range from several at a time to thousands. Due to our desire and ability to provide custom solutions, we do not offer standard serving containers. If you have any questions, please contact your catering manager directly.

2,000 calories a day is used for general nutrition advice, but caloric needs vary.
Additional nutrition information is available upon request.
