VALUABLE INFORMATION

120 VOLT POWER DELIVERY

The cost of 120V outlets includes delivery to one location at the back of the booth. There is a minimum labor charge of one (1) hour for installation and ½ hour for removal if you require the outlets to be distributed to a specific location. Please submit a detailed floor plan of your booth space with dimensions indicating outlet type and location. Any adds, changes or deletions after initial installation may require additional labor charges.

208V/480V POWER DELIVERY AND CONNECTIONS

Please contact the Operations Department for pricing for 208V/480V services not listed on the order form. There is a minimum one (1) hour labor charge for installation and one half (1/2) hour for removal of service. OCC electricians must make all high voltage connections and disconnects.

ISLAND BOOTHS

Include a detailed floor plan layout of your booth space with dimensions indicating outlet type and location. If a main power drop/delivery location is not indicated on the floor plan, OCC Electricians will deliver to the most convenient location.

24-HOUR SERVICES

Electricity will be turned on one (1) hour prior to show opening and off one (1) hour after show closing on show days. If you require power at any other time, please order 24-hour power at two (2) times the outlet rate.

If you require any electrical service not listed on price sheet, please contact the Oregon Convention Center Operations Department at 503-235-7578.
